

IMAGING CENTER

Novello Imaging offers convenient parking with easy, direct access to the imaging center. Unlike large hospital systems with a maze of halls, it's easy to get to our medical imaging office.

Our building (Building F) is near the back of Copper Ridge. You will see a parking area on the front/west side of the building. Enter through the main entrance, under the awning. You will take the elevator to level 1 and take a right off the elevator.
